

2027 CAAA ANNUAL CONFERENCE
CONGRÈS ANNUEL 2027 DE L'ACPC

June 18-19, 2027 | 18-19 juin 2027 *PD Day – June 17 | Journée de dév. prof. – 17 juin* Montréal, Québec www.caaa.ca

MAKING AN IMPACT IN TURBULENT TIMES OF GEOPOLITICAL INSTABILITY AND RAPID EMERGENCE OF ARTIFICIAL INTELLIGENCE

HOSTED BY

JUNE 17 – 19, 2027
HOTEL BONAVENTURE MONTREAL

CALL FOR PAPERS (RESEARCH)
SUBMISSION DEADLINE: JANUARY 11, 2027

The 2027 CAAA Annual Conference will bring together prominent scholars, educators, and practitioners to celebrate the enduring impact of accounting scholarship in turbulent times of geopolitical instability and the rapid emergence of artificial intelligence.

This year, the conference will take place in the beautiful, vibrant, culturally rich, and cosmopolitan city of Montreal, an ideal setting for intellectual exchange and the birth of great ideas. It is our great pleasure to invite submissions in all areas of accounting. We encourage submissions that aim to expand the scope, reach, and societal impact of accounting research using any rigorous research method. The conference will also feature a Qualitative Research Symposium. Authors wishing to be considered for presentation at the Symposium will be able to indicate their interest during the paper submission process. Submissions in English and French are both welcome.

Please see the detailed submission guidelines on the CAAA website. At least one author of each submitted paper must be a CAAA member. Additional information about CAAA membership benefits is also available on the website. Authors will be informed of paper acceptance by early March 2027.

Camélia Radu, Université du Québec à Montréal
Zvi Singer, HEC Montréal
Co-Chairs, 2027 CAAA Annual Conference
