Imen Latrous CO-CHAIR	Université du Québec à Chicoutimi
Linda Myers	University of Tennessee, Knoxville
Marjène Rabah Gana CO-CHAIR	ÉTS Montréal
Samir Trabelsi CHAIR	Brock University

CALL FOR PAPERS

The Fourteenth International Conference of the *Journal of International Accounting Research* (JIAR)

June 9-12, 2027, Montréal (QC), Canada **Submission Deadline:** February 15, 2027 *(early submission is encouraged)*

The goal of this conference is to expand the diversity and scope of international accounting research, through increased understanding and awareness of the challenges and opportunities of international accounting. Original and rigorous research will provide academics, practitioners, and regulators with deeper insights into international accounting issues. *Journal of International Accounting Research* (JIAR) continues to welcome innovative and high-quality research that examines how accounting data affects capital market participants. Papers that address interesting and innovative research questions in all areas are welcomed. Papers can be submitted for consideration in one of two tracks: Plenary Session submissions or Concurrent Session submissions.

TRACK 1

For Plenary Session Submission

Please follow the regular submission procedure for JIAR outlined at: https://www.editorialmanager.com/jiar/default2.aspx.

Authors submitting to JIAR in this way should include two statements in their cover letter to the senior editor: (1) that they wish to have the paper considered for the JIAR Conference Plenary Session; and (2) whether they would like the paper to be considered for inclusion in a Concurrent Session in the event it is not selected for the Plenary Session. If the authors are interested in presenting at the concurrent sessions if not selected for the Plenary session, please also submit to https://form.jotform.com/261725495815264.

Concurrent session decisions will be made within two weeks after the submission deadline. Plenary session decisions will be made at a later date so papers may be reassigned from the concurrent sessions to the plenary sessions. Accepted Plenary Session papers will be published in the *Journal of International Accounting Research* (conditional on satisfactory responses to reviewers' comments).

The conference will cover airfare and three nights' hotel for one presenter (up to $1,500 USD).

TRACK 2

For Concurrent Session Submission

Papers submitted to the Concurrent Sessions may be written in **English** or **French** and will be considered for presentation at the conference, but not for publication in the *Journal of International Accounting Research*.

Submissions should be made on this hyperlink: https://form.jotform.com/261725495815264.

There will be a best paper award (including a track for PhD students' papers) for the papers presented in the concurrent sessions.

Please send a separate title page, listing all authors, and a blind version of the manuscript.

DOCTORAL & EARLY CAREER

Doctoral and Early Career Consortium

ÉTS Montréal, June 9th, 2027

This consortium offers a valuable platform for doctoral students and early-career faculty to engage with leading scholars in international accounting research. The program will consist of invited talks from senior faculty and panel sessions, so you are encouraged to apply even if you do not have research projects underway.

Note that consortium attendees who wish to present their own research should submit it to the 2027 Journal of International Accounting Research Conference following the submission process outlined above.

The consortium will run for the full day on June 9, 2027. Capacity is limited so interested applicants should submit their applications as soon as possible but no later than March 1, 2027. They will receive a decision email by March 15, 2027. Interested applicants should contact Professor Linda Myers (lmyers16@utk.edu).

TRAVEL

Travelling to Montréal

When travelling to Montréal, the easiest way to reach the city is by flying into Montréal–Trudeau International Airport (YUL), the region's main airport. From there, you can take a taxi, bus, or train directly to the city center.

QUESTIONS

If you have any questions, please email jiar2027@jiar-conference.org or Marjène Rabah Gana (conference co-chair), Imen Latrous (conference co-chair) and Samir Trabelsi (conference chair).
